### THE YOUTH LIVESTOCK EXHIBITOR CODE OF PRACTICE

I believe that my participation in the Junior Livestock Program should demonstrate my own ability, knowledge and skill as a feeder and fitter of livestock. I will do my own work and only accept advice and support from others.

I will not use abusive or questionable techniques in the feeding, fitting and showing of my animals. I will not resort to fraudulent, illegal or deceptive practices when fitting them for show. I will not allow my parents, my Project Leader, my supervisor or any other adult to employ such practices to my animal.

I will read and understand the rules of all livestock shows in which I am a participant. I ask that my parents and the Project Leader of my project animal not break the rules or make exception on my behalf. I wish for my livestock project to be an example of how to accept what life has to offer, good and bad, and how to live with the outcome.

I realize that I am responsible for:

- The proper care and treatment of my animals.
- The production and wholesome food or product.
- The development of sound moral character in myself and others.
